Irene from the moment I knew you, your life was a leading example of loving & serving others in love & in deed. Irene was a school teacher / school principal who taught in the far Canadian north for 25 years on Indian reserves. Irene always gave back to her community & served others before herself. Irene was loved by all who knew her & she was often related to as being a saint. Irene taught me to forgive & forget what others did to offend. Irene, I didn't deserve you, but I thank you for loving me no matter what & teaching me what true love was. Irene you taught me the value of loving the Lord, trusting in him in all his ways. I look forward to when I see you on the other side. Love eternal, Martin :)

My condolences to Irene's loved ones that she left behind but fear not for you will be reunited with her once again in God's kingdom. She fought her way, a dignified way-she is at home now and the memories of Irene will live on in your heart but please know that she is happy and at peace now-she said her goodbye's and that is the most bravest thing I have yet to see. God bless you Irene-Wanishi
