Jean "John" Kszywienski

MAY 9, 2013

Jean "John" Kszywienski Kszywienski, Jean Frederick, 66, of Palm Coast, Florida

Jean "John" Kszywienski passed away on May 6, 2013, in Palm Coast, Florida due to complications from lung cancer.

John was born in Taunton, Massachusetts on February 21, 1947. He graduated from Trumbull High School in Trumbull, Connecticut in 1965, and Danbury State Teacher's College (now Western Connecticut State University) in 1969 with a Bachelors' in English.

In 1978, John married his wife of 34 years, Georgia (Lee) Kszywienski. John and Georgia lived in Milford, Connecticut where they raised four wonderful children and rescued many pets that otherwise would not have had a home. They would have celebrated their 35th wedding anniversary on August 25.

John was passionate about many things, including art, music, and rock and roll. While in college, John was a member of the Theater Club and started the school's theater program. After college, John cultivated his love of the arts by playing the guitar, painting, collecting Beatles and Elvis memorabilia, and portraying an alchemist in Connecticut Renaissance Fairs. Second only to his love of his family, however, was John's love of classic cars. John's most prized possession was his 1965 Buick Wildcat, which he loved to share with the world in classic car shows and local parades. He also loved to share his love of music by joining the choir at the Wildermere Congregational Church in Milford, Connecticut.

In 2009, John and Georgia moved to Palm Coast, Florida, where John became a member of Wheels in Motion, an Antique Automobile Club of America, and the Palm Coast Moose Lodge #2577.
