Helene and David, We were saddened to hear of the passing of your husband and dad. He was truly a gentleman and a class act. In all the years after taking over his practice, his former patients NEVER had one bad thing to say about him, only wonderful memories, which speaks volumes for his character. His gentleness and patience in answering all my questions when he was my optometrist when I was a kid (Linda) had a lot to do with my interest in becoming an optometrist. He was truly an inspiration to us and a great example. Our thoughts and prayers are with you. With love, Linda and Terri
