Lee, Savannah, Annmarie, Joe & Debbie- So sorry for the loss of Stephen. Each of you shares the loss in different ways and it's effect the same for all of you . We never met Stephen but felt like I knew him through Annmarie and Joe. When his cancer began his positive attitude was to fight. Many times cancer can be eradicated but Steve had a difficult one to fight. To me, watching and hearing about Steve's courageous fight showed me the man, husband, father, brother, and sonHe was during his entire journey. Now he is is free of pain and cancer and finally in peace. May God bless u all and take away your pain. Joni & Jack
