Dear Martha, Beverly, Eddie & Billy, Please accept our condolences for the passing of (our neighbor), Ed. I often wondered if you both were still living in Hampton, but a smile came over my face when I read you are in Daytona, Fla., the state Ed always wanted to live in! How happy that must have made him! We still use the sugar bowl with the silver lid that I bought as a remembrance from your house sale and think of you fondly. Retired and celebrating 50 yrs of marriage this November.

Martha and sons, I send my condolences on the death of Edgar. May his soul rest in peace. Remember when we were friends when our kids were in grade school and you baby sat for me with Ginette and Rod when I worked at the Cafeteria at St. Therese? My son, Rich and his wife, Marianne, still live in the house that your daughter and son-in-law sold them so many years ago. Their children are all gone from the home and they are grandparents. I hope that you and Edgar enjoyed your retirement years in Florida.
