Dear Auntie You were my favorite aunt. I remember driving to New Hampshire with Nana and Uncle Richie and stayed at a cabin in the White Mountains. You were pregnant with Jimmy; it was June that year in 1956. I wasn't even six yet and I was so looking forward to baby Jimmy. Uncle Jimmy was so much fun he kept playing the radio too make the trip more fun. I'll never forget you... Love you still..your niece Claudia...

I will always remember Barb with love. She was the most fun sister-in-law a girl could have. Friday nights were almost always spent with her and Jimmy, just enjoying being together. Barb had a zest for life and a great sense of humor. We (Keith and I) loved her. She will always reside in my heart and in my memory. And to Sandra and Jimmy, Janelle and Jamie, may you find comfort in knowing how much she loved all of you. You were the light of her life Rest in peace, Barb.

I will never forget my favorite aunt who I loved so very much. We had so many laughs and she taught me so much. Some of my fondest childhood memories are the times I spent with her. Whether it was hanging in the screen house in her back yard, playing cards, watching scary movies together, eating her famous and the best meatballs made w/crushed potato chips, watching her shave her legs in the backyard and rinsing them with a garden hose (I do that now, and think of her everytime), my first plane ride and countless sleep-overs. I will always cherish these memories and will share them with my own children. If only everyone could have an aunt like this. She will live forever in my heart.
