Dear Betty & Family, My deepest sympathies are with you all. I so enjoyed seeing Bill (and you), he had the greatest sense of humor, and it was always a treat to see you. It was very strange, I was thinking about him on the morning of September 5th, spoke to Dr. Dodd about it when I arrived at work, and he passed away that very day. I hope the memories that you cherish of him comfort you in these difficult days. Love, Kat
