Mrs. McClain posted:

Anita my heart goes out to you and your family. Although we attended the grief and recovery class together, nothing can prepare us for the loss of a husband nor a child who is missing their Father. Your son remind me of the fish in lake who never read that fisherman book. I am proud of you for holding it all together. May Our Father continue to prepared your mind and your heart for whatever may come, that you my dear friend be ready. May God continue to bless you and your family
