Gino, thank you for all the time you spent taking care of your Friday Tennis group! You were always friendly and enjoyable, patient Tennis partner. We only met five years ago when we first arrived to Grand Haven. You always treated me with the outmost respect and generosity. A fine gentleman that will be missed. You have left a huge void in our tennis community that will be hard to fill! God also bless your family that will greatly miss you too.

Gene was always a gentleman and made you feel welcome when ever you were with him. I remember when playing tennis with him he'd call close shots out and we'd kid each other and say just because you can't get to it doesn't mean it's out. As for golf. His putts never had enough "zoom" they always needed more zoom. God speed you Gene, with plenty of zoom!
