Janice Gail DiMillo

SEP 24, 1953 - SEP 3, 2021

Janice Gail (Wetherington) DiMillo, 67, of Bunnell, Florida went home to be with Jesus on Friday, September 3rd.

Janice was born on September 24th, 1953 to Almina “Louise” Wetherington and Bruce Wetherington. She grew up on Peaks Island, Maine and it is there that she met her future husband, James “Jimmy” DiMillo. They moved to the Casco, Maine area and had 5 sons- Marcus, Edward, James, John and Brian. In 1986, when their youngest was 6 months old, they moved to Palm Coast, FL. A few years later they moved to the home in Bunnell where Janice resided at the time of her passing.

Janice spent much of her time on Earth caring for others. Professionally, as an in-home caregiver and personally, as a loving mother, grandmother and, recently, a great-grandmother. Being a Grammy was one of Janice’s greatest joys in life. She loved to capture all the memories in pictures and videos any chance she got. During a recent trip to Maine, she was able to show many of her grandchildren where she grew up on Peaks Island, enjoy her favorite Amato’s Italian sandwiches and take many, many pictures.

Janice earned her angel wings while still on Earth, she was truly one of God’s soldiers. She shared the word of God with everyone she met and did it with warmth and grace. Janice will always be remembered for her patience, understanding, strength and passion for Christ.

There is comfort in knowing Janice joins her parents, her husband Jimmy DiMillo, her son Eddie DiMillo, her grandson Joseph DiMillo, and sister Vicki Wetherington in heaven.

Here on earth, until they meet again, are her sons:

Marcus DiMillo and his children Josiah, Caleb, Daniel, Eliana, Emilia, Marianna, and Jacob.

Janice was a beautiful soul. When I was about 11 Janice and her husband and her 5 boys moved in next door to us. Our families became friends. My mother Donna Crouch Sofia and Janice remained close friends throughout all these years. I always felt that Janice was warm and inviting .Her house was always open. We used to visit her home quite often when I was young and I'd be jumping up and down for her to trim my hair. (You could call her my hairdresser) You hardly ever seen Janice without her video camera back in those days. I admire Janice more so as I became an adult. Realizing the traumatic losses that Janice had experienced and yet never lost her faith in God and continue to live her life and sink her love into her children and family and friends. That is something to truly be admired. These last couple of years when I would run into Janice usually at my mom's house. I felt at peace around her for some this may sound strange but I felt closer to God when I was around Janice and I am forever grateful for that.I send my love to all of her family. I know they will find the peace they need because Janice helped instill that in them. It was a pleasure having you as part of my family Janice. Enjoy Paradise. ♥
