## **Linda Sue Flick**

DEC 25, 1948 - MAY 2, 2022

**L**inda Sue Flick, 73, peacefully passed away on May 2, 2022 at Stuart F. Meyer Hospice House in Palm Coast, Florida with the love of her life by her side, after a brief and unexpected illness.

Active in so many organizations, clubs, and charities, Linda cherished her time with her friends and family. And when I say friends, Linda epitomized the phrase “Strangers are just friends you haven’t met yet.” She loved her card clubs, her Twig, her sorority sisters, and especially her Red Hats. To her, a gathering of people wasn’t meant to be dull. It was a party and should be decorated as such...and she loved to decorate. You couldn’t even have pizza night without matching plates, napkins, and glasses. Although I joke when I say how much she loved to plan events for her family and friends, it was done because she loved them and truly wanted to show them how much she cared for them through making times spent together memorable. A task accomplished because as you read this, each of you will likely think back to a get together with her and remember that event fondly.

Her family meant everything in the world to her. She cherished her time spent traveling the world with her husband of 52 years and embraced every second spent holding her great grandchildren, her grandchildren, children, and husband. To say that she will be missed by many would be an understatement. This life will never quite be the same without her being a part of it.

She was preceded in death by her Mother Ernestine and Father Eugene, Sister Shirley, and Brother Bob.

Linda is survived by her husband Mike, son Darrin (Nikki), daughter Dana (Mike), grand children Cody (Krista), Kaitlin, and Cameron, great grandchildren Cyllis, Coen, and Cora, brother Bill, brother Jerry, sister in-law Peggy (Jerry), as well as many nieces, nephews, cousins, and friends.

Our hearts are broken with Linda's passing. She was truly my "sister" and will forever be that in my heart. Linda enjoyed life to the fullest and everyone who knew her was blessed, given a gift beyond what words can express. She had a contagious laugh, a generosity that touched many lives, and she loved her family more than anything, except for her love of our Lord. Miike was the love of her life! Our love goes out to Mike, Dana, and Darrin and all of her family. John and I are so very grateful for the time we shared last Friday with Linda and Mike by the beautiful ocean. We shared a meal, conversation, laughter, and spoke of adventures we had hoped to share in the years ahead. Every moment is a gift, and Linda's joy for each day will be a lesson that John and I will carry forever. Forever friends are precious. Love them. Cindy and John

Our hearts are heavy and we are so sad at the news that Linda has been taken from us too soon. She and I shared our cancer stories and I was honored to be there when she rang the bell just a few short weeks ago. She was our fashionista and our party planner. We had such fun whether it was at Bunco or playing Left right center or attending the many Hidden Lakes Ladies Luncheons. We made crepes with our French berets and modeled fashionable clothes at Chez Jacqueline. She was always up for a fun time. Lots of wonderful memories with a very dear woman. She will be so missed by so many. Prayers for her family during this extremely difficult time. ❤️

I was shocked and saddened to hear of Linda's passing. Linda was such a kind, caring, and genuine person. Everyone she met immediately felt her true joy for life and her loving spirit. I cannot think of Linda without seeing her smile, hearing her laugh, and feeling her hugs. She was one of those rare people that made others feel happy, loved, and special. We, all, are blessed for having known Linda. I pray she is rejoicing with Jesus and we will meet again. Our prayers are with Mike, whom Linda totally loved and adored, and with her family, whom she loved and was so devoted. May God give each of you peace and comfort. May He also provide you with the memories and joy of celebrating her life because she indeed celebrated life. Carl and Susan Murphy

There really aren't enough adjectives to adequately describe Linda. She was effervescent, hardworking, loyal, loving, determined, focused, intelligent, and beautiful inside and out. I could go on and on. Linda and I worked together at the Curriculum Resource Center and later downtown in Lancaster City Schools' Central Offices. In many ways, she "trained" me. She cheerfully kept all aspects of our office running smoothly and efficiently. She cared deeply about doing quality work. I watched with awe as she communicated clearly and positively with the varied people who interacted with our office. She kept meticulous records and our office was always an attractive, well-run workplace. Linda was the consummate social director. She enjoyed celebrating with friends and our office always had a welcome mat out for staff. On a personal level, Linda was a kind, loyal friend. We shared many frustrations and happy times, always supporting one another. We shared stories about our families. I became especially close to Dana as principal at Medill and enjoyed watching her mature into the beautiful woman she is today. When I moved on to Upper Arlington Schools, I truly missed Linda. My heart goes out to Linda's family. She was a huge presence with all whose lives she touched.

Linda wanted to have lunch with our study group before she traveled back to Ohio on Monday. When she hadn't arrived we thought maybe she had forgotten. That was when we got out our phone to call her and see a note from her daughter that she had passed. Our hearts are broken. Everyone that met Linda loved her. Her positive outlook on life, her laughter, and you knew real soon how much she loved Mike and her family. When she walked in a room there was sunshine beaming from her. I will miss her so much. Our prayers go out to Mike and family. God bless all of you.
