I didn't know Bruce for long but the time that I spent with him working along with each other was awesome! Eventhough our ages where almost 30 years apart, we hit it off, we got along very well and he was great to talk to, sharing storytimes with each other while working. I could tell right away that he was a great guy and I will miss him!! I'm also thankful that he Taught me some things I didn't know about plumbing and I will take that and use it for the rest of my life. Bruce you will be missed but not forgotten, I will keep your family in my thoughts and prayers. Until we meet Again my friend.
