# George Richard Seiler

OCT 25, 1946 - FEB 22, 2023

**G**eorge Richard Seiler, 76, passed away comfortably, with family by his bedside on February 22, 2023 at Stuart F Meyer Hospice House in Palm Coast, FL. He was born on October 25, 1946 in Queens, New York to the late John and Madeline Seiler.

He is survived by Astride Seiler; his daughters, Vanessa Seiler Felder (David Felder) of Fort Lauderdale, FL and Veronica Seiler Bergmann (Chris Bergmann) of Deerfield Beach, FL. He is also survived by his sister Barbara Seiler (Muriel Fariello). He will be deeply missed by his family and many friends. He was preceded in death by his brother Walter Seiler and his wife, Sheridan Seiler.

George was a proud graduate of U.C.L.A. He was a Veteran of the United States Army, serving in Germany during the Vietnam War. He loved all things history, to travel internationally, cook countless recipes, eat sushi, listen to John Lennon and The Beatles, read, watch football and go fishing. He enjoyed dining at great restaurants and living life to its fullest. He was a longtime employee of Bayer Pharmaceuticals and loved his people.

George was a true people person, connecting many, showing them how important they are and making them feel at ease. George Loved his family, all the furbabies over the years and Rika, the African Grey Parrot. George was a loving and providing father.

George's sister, Barbara shared a sentiment from childhood. George always had sales skills. When he was five, he sold his brother's Monopoly set for 25 cents and his stickball bat for a nickel (they lived in NY). When George was in first grade, he would take food from their fridge and sell sandwiches to his classmates. Mom figured it out. He was interested in and knowledgeable about many things, very easy to talk with. George was fun to be around and always a great laugh.

George was a good friend and a great boss/co-worker for many years! He loved his work and his "teams", and we had lots of fun with him at work and meetings. He loved to travel and good food and fun company. George's loyalty to his friends and co-workers was unquestioned, and he will be greatly missed! RIP George

I too had the pleasure of working with George. He promoted me and taught me a lot about leading people. He was a good leader who trusted his team and was always ready to help. He brought fun to work and my memories are all positive. RIP George, first round on me when we meet again

As you may already know, George recently stayed with me for about 9 months. I could always tell when he was home. From upstairs, I could smell the food he was cooking. Only one of his many passions in life. He had many. God Bless.
