Becki Schultz lit a candle in honor of Gerda.

There will never be anyone as special as my grandma. Spending time at her house always included love, snuggles and snacks. I feel so honored to have known her and spent so much quality time with her. Playing cards - sheepshead and Rummikub was such a pleasant past time with her. I'll miss these simple times I didn't realize were so precious. Love you always grammy from Becki
