Rose Marie Meyers

OCT 21, 1943 - MAR 25, 2026

With extremely heavy hearts, we announce the peaceful passing of Rose Marie Meyers of Palm Coast, Florida on March 25, 2026. Born and raised in Newark, New Jersey on October 21, 1943 and a graduate of West Side High School in Newark, New Jersey in June of 1961, Rose was a hard-working, strong-willed woman with unrelenting and unconditional love and devotion to her family. In addition to working full-time, while being a loyal and dedicated wife and mother, Rose had cared for several loved ones who were terminally ill. She ensured that their final days were as comfortable and peaceful as could be.

Rose is preceded in death to father John Charles Niglio, mother Helen Niglio, brother Frank Niglio, and sadly very recently (March 4, 2026) to her beloved husband of over 62 years, Edward Arnold Meyers, Sr. She is survived by her sister Joyce Mulvihill and her two sons, Edward Arnold Meyers, Jr. and Paul John Meyers, along with their wives, Eileen Miller Meyers and Christel Donath Meyers. She was very grateful to have had six beautiful grandchildren: Carissa, Briana, AJ, Evan, Kira and Connor and also six great-grandchildren: Lilliana, Russell, Mason, Autumn, Everett and Anthony.

She was passionate about music and thoroughly enjoyed trips to Atlantic City, doing puzzles and being around her family. She always loved to tell stories of the past. It is now our time to love and honor her, by sharing memories of her, with lots of love and laughs. Rose will be forever missed, but we are grateful to her for enriching and enlightening our lives and most of all, for being so loving and supportive throughout her entire life.

As per her wish, there will be no public memorial service, but rather a very intimate spreading of her ashes at sea off the coast of Atlantic City, New Jersey.

Heritage Funeral and Cremation Service is assisting the family with arrangements.

When a pre-teen my Aunt Rose would take me to work with her, teaching me filing, typing, and to answer phones. She took me to bingo with her on weekends. 🌱

It was always an amazing insight to my young mind and an inspiration to my early in life career choice.

Aunt Rose gave me my first plant project. She was the one who got me started in raising my plants. I am ever grateful for those seeds that turned into a beautiful flowing plant in a glass globe. It began my belief that I too could raise beauty from seed and create like my grandmother, healthy gardens for food and delight.Aunt Rose will be missed.

I loved hanging out with my Aunt Rose. When I was dating my husband we would go to her apartment and play cards every Friday. She was the best and always there if I needed her. She will definitely be missed.
