“ I am saddened to hear of Christine's passing. I first met her as we started NFA together, we ran into each other occasionally over the years. She always had that "something" that made you gravitate toward her. Peace to all.

“ Carol, Roland and Kelly we are so sad for you.. Chrs was a beautiful, smart , loving, funny and sassy girl with a lot of spirit. She touched others in many ways. We will always remember the day to day life we shared in CT., watching our children grow. They were the best times in many ways.

You are our good friends and we love you and we know that Chris is in heaven at peace, and sharing her time with everyone there that we love!

“ I am so sorry for your loss, Christine was a very giving person with a big heart, and that is always something that I'm sure will be remembered by most who met her, again I am so sorry for you loss.

“ Chrissy was a gift given to her family to remind them what love is all about. I was lucky enough to meet her, although only once, her strength and passion shined through her love for Kelly, Roland, Carol, Maya, and her dogs. In that short time I was lucky enough to feel that power.

What I can share is her impact on me. You gave me a gift, one I will cherish my whole life. It will proudly display in my office, and will remind me of her. For that I am thankful, and will drive me to show compassion, love, and do the best I can for all those who touch my life. For that I thank Chrissy, because my life was blessed to have seen her smile.

That day changed my life, for that and her passion, I will always be thankful. I love all of you, and do not be saddened, rejoice in the knowledge she is made whole and touched many lives. My brother awaited her entrance, where she was given the gift of her love.
