“ Donita, So sorry to hear of Aunt Ethel's passing. I know it has to be hard to lose your mother. It was really hard for me to lose daddy. I will be praying for comfort and peace in the following days. Aunt Ethel was a beautiful woman. I always loved her cooking, especially her homemade ice cream. It's sad that that side of the family is all gone but you, me, Margaret Joyce, and Louise and families.
Love you and hope that you find comfort in your friends and family.
Love You Always,
Ruby

“ Donita, I was so very sorry to learn of Ethel's passing. I'm sure you will miss her very much, I never forgot Ethel, as I always thought so much of her, she was such a sweet lady. So many memories over the years, when I would come home to visit with my daughter Amanda she always loved to sit in the swing with her on the front porch as she did with Daffy & I when we were little. I'm sure God is enjoying another Angel in Heaven, & Charlie is reunited with his wife once again. May your pain be less each day & peace be with you always. God Bless.

“ I will always remember Aunt Ethel as a fun loving, sweet and kind person. She was such a good cook and as a child I remember she would always have a delicious dessert anytime we would visit. She grew beautiful flowers and enjoyed her garden. She always seemed interested in what activities everyone was involved in and kept up with current events. When visiting her in Port Orange it seemed she enjoyed living in the warm weather. I am sad to know of her death, but am thankful she is at peace and not in any more pain.
