“ Janet was a wonderful sister. She was caring and kind. Always interested in the lives of others. Even though she lived nearly 1,000 miles from her siblings. She wanted to hear the latest of things in our lives. Janet fought a very courageous battle. Never once complaining. Even in the last days she smiled and kept faith.
She loved the Lord and never questioned his love for her.

“ I remember Janet from High School. We sat at the same table in Study Hall. She was always a nice girl with a quiet and pleasing personality. I was in the Class of 1964. God be with her family as she rests from her labors.

“ Memories of Janet will live with me throughout my life. I regret that I had not talked to or visited Janet in a long time. Too often we as family forget that our lives have an expiration date. That date we do not know; however, we can live in Heaven if we choose to have Him live in our hearts. I know Janet did just that. Someday, we will all be together again. Goodbye Janet.
