“ I will always have wonderful memories of Mabel and will treasure the great times we all had going out to eat. She was very special to me and always gave me good advice. The one I will remember the most is when she would always say and remind me to never say goodbye. So this one's for you Mabel, so long until we see each other again. Love You, Diane

“ To Mabel's family:

Mabel touched our lives when my Mom, Joan, became her room mate at Grand Oaks. She was a very special lady. She became a crucial part of Joan's life in the short time they were together. They spent hours together (the "puzzles", watching and researching the birds from the window of their room, and attending the functions at Grand Oaks together). She will be greatly missed but not only Joan but her family as well . We are all honored to have known her..

“ Mom

You have been so close to me even before I married Mark. I have been truly blessed to have such a wonderful mother-in-law. I'm glad you were so happy at Grand Oaks. You have given me lots of words of wisdom over the years. I will miss our phone conversations, but now I know I have my special guardian angel watching over us. "So long" for now never goodbye. Love you. Donna
