

## Michael T McMahon

January 27, 1950 - November 16, 2021

Michael T. McMahon of Deland Florida passed peacefully after a brief but courageous battle with cancer. Michael was a gentle and loving soul who will be greatly missed by his McMahon, Sgrignioli and Henderson families.

Michael was born in Philadelphia to Edmund and Grace (Markle) McMahon. He attended schools in the Norristown/Plymouth Meeting area, was drafted into the Army and served in Vietnam. After his service, he married Patricia Houlihan of Glenolden, Pa. They moved with their son John McCloskey to Florida in the early 90's and made their home there. They later shared their home and love with Sean, Brian, Steven and mother Julie Henderson after their father suffered a devastating accident. He became their protector, friend and guide.

He was a beloved and loyal friend and brother to the Sgrignioli family of Plymouth Valley throughout his entire life and experienced many of life's challenges and joys with them.

He is survived by his loving brothers and sisters: Catherine McMahon, RSM, Sean (Marguerite) McMahon, Edmund (Donna) McMahon, Mary (Jay) DiSanto, Maureen (Bill) Madel; many nieces, nephews, grand nephews and nieces, cousins and dear friends.

A memorial service will be held in Pennsylvania in late January.

“ I’m really going to miss “Uncle Mike”. He taught me so many life lessons. When I was at my worst in addiction one thing he said to me always has stuck with me. “Bri, good news is, if you want.. you never have to feel this way again. He was a huge part of our family and we’re eternally grateful for all the love, support and time he’s spent with me and my family. He was a great man and I’m a better man from sharing some life with him.

“ I remember annual trips from California to Pennsylvania to visit the cousins and thought Michael was just the coolest cousin ever. And he grew up to look so much like his mother. My condolences to Michael's family and all my PA cousins.

“ To The McMahon family, on behalf of the Henderson family, please accept our condolences. Our thoughts and prayers are with you during this time.

Mike was a dear friend and father figure to my brothers and I. I owe a lot to Mike for helping me become the man I am today. He was the first to show me that a person could change. That better was possible. He never gave up on us and was always there to help us when we had fallen. I wish we had more time together. Thank you for all that you have done for us. I'll miss our conversations about our lives and what neat things you were seeing in art, technology, and the world. Love you Mike. I hope you are at peace.

“ My dearest memory of "Mac" was watching him care for my brother Michael when he was sick. They were lifelong friends and he was there for him until his very last breath. I've never seen a more devoted friend than Michael McMahon. There is a hole in our lives today but he was met in heaven by some pretty spectacular people who have passed.

“ All I knew was Mac was my brother. He was in my life since I was a small boy. I remember the day he took me to get back to school clothes and how he made me feel better about having to get the " fat kid" clothes. Had me laughing by the time we got home...a brother through and through! Fare thee well Hiawatha....fare thee well mighty warrior.....
