“ *What hope can we have for the dead? John 5:28,29 do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear His voice and come .*

“ *My heart goes out to everyone who's life Aunt Mickey touched. I can think of no one who she ever met that she didn't impact their life in some way. As for me, she touched every part of my life. She taught me things about life that I never could have understood without her love. I love her with every little piece of my heart and soul. I am thankful to God that I had the privilege to have known and love her. Aunt Mickey will forever be a part of me and I pray that God will reward her endlessly for the unselfish love that she gave to everyone she ever met. Rest in peace, Aunt Mickey.... I'll love you forever.....*

“ *Aunt Mickey truly loved her family & friends. She always welcomed that phone call or visit. She was a bundle of love showing concern when needed and celebrating joys. She was the glue that held the family together. She gave the best hugs & kisses ever! Her laugh was contagious. She was fun loving & truly enjoyed a great party! She fell in love with Jesus & was thrilled beyond words when Uncle Gene began going to church with her. There is none like my Aunt Mickey...NONE! My mom will be so excited to invite her into heaven as she loved her sister so very much. Carrying Aunt Mickey in my heart FOREVER!*
