“ I can't believe it when I heard. Vinny was a great guy and a great friend. He always knew what to say to make us laugh at the hotels. He was always there to help in any way. He will be greatly missed. Prayers go out to his family.

“ Through the good, the bad, and the ugly you were always there! I still can't believe you are gone...it's like a void in my life, that I feel in my heart. They say that parents should never have to lay their children to rest, but children laying their parents to rest isn't right either. I promise that Cameron and Ella will know who you are and I will always be there for Dominic, Tina, and John. There are a ton of memories and I will always cherish the good ones! I love you and I don't think I told you that enough! I know you're at peace and with your mom now. So until we meet again keep the partying going and save me a beer :) R.i.p we miss you
